

# VOLDI VÄIKE VARES

Väikese varese voltimiseks kasutame hiina 3D origamit.

- A** Prindi A4 leht välja.
- B** Lõika paberist 5 ristkülikut.
- C** Voldi igast ristkülikust õpetuse järgi üks moodul.
- D** Ühenda valmis moodulid (5tk) joonise järgi.
